THE COURAGE OF HEART AWARD

The CYNDI TOTH Memorial Award

For those of you who know our co-chair, you are aware that she has some special young men in the lacrosse world who have been very kind to her....Kaleb Toth, a member of our Player's Advisory Council, is one of those. This summer he lost his very precious big sister suddenly. This is what he wanted to share about her.

"Cyndi loved the outdoors. Her favorite things to do were camping and attending her brothers lacrosse and hockey games; and spending time with our family. She had a heart of pure gold. When Christmas came around Cyndi would decorate her house and bought every type of ornament you can think of. She would buy everyone gifts because it brought her joy to give. In Cyndi's entire life she spread

joy and happiness like raindrops from the sky. Her family was all she cared about and I think her only fault was that she was always doing for everyone else and not thinking of herself. No matter what I did, right or wrong, she always told me she loved me and how proud I made her. Cyndi was an amazing Mother, Daughter and Sister. She was loved by all and will be sadly missed."

And that is why this award will bear her name.
